Welcome to The Country Club of Waterbury

For over one hundred twenty years, The Country Club of Waterbury has been providing members and their families with a full range of private club amenities. CCW offers the perfect setting for enjoying a round of golf with friends, entertaining your guests, playing a game of tennis, relaxing pool-side or dining in style. There is something for everyone.

Golf at The Country Club of Waterbury is among the finest in New England. Our recent Golfweek ranking of #174 ranks us among the elite courses in the country. The centerpiece of our club is our Donald Ross designed golf course with full size practice facility and new cart fleet. An active member tournament schedule is offered throughout the golf season including Men's, Women's, and Youth programs, as well as PGA golf professionals with teaching experience that are always available to help.

Tennis at CCW is a great experience on our four beautiful red clay courts. You can enjoy a casual round with friends or our tennis professional and staff offer a multitude of clinics, lessons and leagues for men, women, couples and youth. Programs are flexible and do not require a weekly commitment and a variety of tennis events are held throughout the season for players of all levels.

If a day at the **Pool** sounds more relaxing, spend your day next to our 25 yard, 5 lane family swimming pool or our wading pool specially designed for young children. Then enjoy a treat from the poolside snack bar. Our certified aquatics director and staff are available for private adult and youth swim lessons and also coach our CCW youth swim team.

The Country Club of Waterbury is proud to offer a variety of **Dining** options, elegant or casual, where you can enjoy a range of culinary delights. With both interior and exterior renovations including our extended outdoor patio, wood fired pizza oven, outdoor kitchen and second floor balcony addition, outdoor dining and unwinding is very popular in season, with one of the best views in central Connecticut. Our special seasonal and holiday events are offered throughout the year and our 20 to 225 person newly renovated banquet facilities are perfect for hosting your private parties.

Our **Family Fun Events** are always a hit for our members with young families, including Movie nights, Easter brunch, a Halloween party, Santa brunch, Almost New Years Eve, and many more.
